

CALL FOR PAPERS

LARS 2026

IEEE LATIN AMERICAN ROBOTICS SYMPOSIUM

 Bogotá, Colombia |  November 4–6, 2026

Advancing Robotics for a Smarter, Sustainable and Collaborative Future

 **PAPER SUBMISSION DEADLINE**
JULY 15, 2026

WE ACCEPT

 REGULAR PAPERS 4–6 pages English language	 POSTERS Abstract (1 page) English language
--	---

Open soon!

LARS 2026 provides a unique opportunity to present original research, student posters, and applied case studies in a collaborative, **robotics-focused** environment.

Accepted and presented papers will be published in **IEEE Xplore®**

TOPICS INCLUDE

-  Autonomous & Field Robotics
-  Robot Perception & Learning
-  Robot Design & Control
-  Industrial & Collaborative Robotics
-  Multi-Robot Systems
-  Aerial & Underwater Robots
-  Navigation, Mapping & Planning
-  Human-Robot Interaction
-  AI, Machine Learning & Robotics
-  Robotics Education
-  Service & Medical Robotics
-  Robotic Platforms & Devices
-  And more...

INVITED SPEAKERS

 Steven LaValle University of Oulu	 Nadia Figueroa University of Pennsylvania	 Rafael Fierro University of New Mexico
 Leonardo Bobadilla Florida International University	 Arturo Forner-Cordero University of Sao Paulo	

 **IMPORTANT DATES**
Paper submission deadline: July 15, 2026
Conference dates: Nov. 4–6, 2026
